

Below is a color key & list of 2017 Dragoncon Vendors. Currently, it only covers the First Floor of Americamart. It is colored to my opinion, from what I've seen of the vendor's website. So don't be surprised if you go on the website (or in person) and see an orange vendor (lots of artsy stuff) that also sells blue stuff (omg, a plushie!). If a vendor's website had a large variety of items, I added a second appropriate color. I hope this helps your Dragoncon shopping experience!
